THE FUTURE JOBS

“There is no future in any job. The future lies in the person who holds the job.” – George W. Crane

- Higher education is that they tend to prepare students for jobs of the past., “They are constantly shooting behind the duck.”
- **2 BILLION JOBS WILL DISAPPEAR BY 2030 OR 50% OF ALL THE JOBS**

“60% of the best jobs in the next ten years haven’t been invented yet.”

-Thomas Frey
